Lecture 11. Recurrent Neural   >
1. Objective

Audit Access Expires May 11, 2020
You lose all access to this course, including your progress, on May 11, 2020.
Upgrade by Mar 25, 2020 to get unlimited access to the course as long as it
exists on the site. **Upgrade now**

1. Objective

From Markov model to recurrent neural networks (RNNs)

At the end of this lecture, you will be able to

- Formulate, estimate and sample sequences from Markov models.

- Understand the relation between RNNs and Markov model for generating
  sequences.

- Understand the process of **decoding** of RNN in generating sequences.
